---

SCHOOL WARRANT  
STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the School District in the Town of Errol, in the County of Coos, qualified to vote in district affairs :

You are hereby notified to meet at the Town Hall in said District, on the 13th day of March, 1962, at 1:30 o'clock in the afternoon, to act upon the following articles :

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen, and pass any vote relating thereto.
6. To choose an Auditor for the ensuing year.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the pay-

ment of statutory obligations of the district, and to authorize the application against such appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

8. To transact any other business that may lawfully come before said meeting.

Given under our hands at said Errol this twenty-sixth day of February, 1962.

MARGARET HAWKINS,  
VIRGINIA MOSHER,  
MERIT BEAN,

School Board.

**REPORT OF  
THE SUPERINTENDENT OF SCHOOLS  
1961-62**

---

To the Members of the School Board and Citizens of Errol:

I herewith submit my annual report as Superintendent of Schools. The statistical material preceding this verbal part of the report show our schools in a very favorable light. Expenditures, although high, are comparable to other agencies in this geographic area and, no doubt, will increase rather than decrease or, even, remain the same.

The grade placement chart following this report shows that we have fifty-eight children in school. Of this number seventeen are tuition students. This total of fifty-eight will, no doubt, drop next year both because of fewer local students and a lesser number of tuition students. We have already been advised that the number from Wentworth Location will drop from eight to three.

At each time the matter of suspending the high school has come up at the annual meeting the district has voted unanimously to maintain a high school and have it approved by the State Department of Education. In September the School Board had a meeting with the Commissioner of Education, Dr. Ritch, and two of his chief assistants. Plans were made at this meeting for a program that would not only approve the school for the current year but would provide for its continued approval over a period of time so long as these provisions were met. One of the chief items of these plans was that there must be at least three certified teachers employed in some combination of subject matter for Grades 7 to 10. Also, books and equipment must be supplemented and brought up to date. Part of these things have been accomplished and the rest are being done.

Grounds around the building are much improved with the laying of black surfacing along the driveway and walk. It is hoped to complete this work to renew the surface of the tennis

court during the coming summer. In a recent inspection the State Fire Marshal's representative made certain recommendations which the board plans to follow along with the regular repairs. For this reason these items are somewhat higher for next year in the proposed budget.

As usual there were several changes in teachers. The new teachers, however, are well trained and competent and the academic part of the program is going very well. I appreciate the good work of all the teachers. I commend to you, also, the interest and effort the members of your School Board have contributed to make this a good school year.

Thank you for this opportunity to report.

Respectfully submitted,

HOWARD D. FOWLIE,  
Superintendent of Schools.

## PROGRAM OF THE WHITE MOUNTAINS REGION ASSOCIATION

The White Mountains Region Association as a voluntary non-profit organization, receives support from the communities of the Region, the state and from individual members so that a program of cooperative promotion and development of northern New Hampshire may be carried on.

The Association publishes and distributes six different folders a year advertising the many advantages of the Region. It receives and carefully answers about 6,000 letters per year from people interested in a vacation in the North Country. The value of this single service cannot be over-emphasized. Recent surveys have shown that the tourists attracted by this mailing service have spent many hundreds of thousands of dollars in the Region. The Association sponsors the annual fall foliage tours, and represents the Region at national travel shows.

Through its board of directors, it is able to speak for the Region's needs at state and national hearings and at important meetings within the Region. It maintains a news release service to local newspapers to help inform the citizens of the North Country of worthwhile activities and economic trends.

This winter the Association is running a cooperative ad program with the chambers of commerce in the ski areas to promote skiing in the White Mountains. It cooperates with private promotional groups, local chambers of commerce, and with the state promotional agencies. It promotes the sale of real estate through the mailing of real estate purchase bulletins to real estate brokers. It conducts labor surveys for groups interested in industrial development, maintains an award program for the 4-H Clubs, and promotes agriculture within the Region.

In uninterrupted service since 1938, it has helped establish the White Mountains Region as a vacation center as fine

as any in the world and contributed in many other ways to the economic betterment of all forty-six communities in northern New Hampshire.
